## Examination Report

Diary no.: **21DS0133**

•Trade name: **CBD 100 Daily Supplements by ONE-INCH**

Product category: Capsules

Date of receipt: 23.08.2021

Number of samples: 1

Begin of analysis: 23.08.2021

End of analysis: 06.09.2021

•Batch: 6110

•Best before: 2021.04.19 without indication of the storage temperature

Examination order: Chemical examination

**Test spectrum is given by the client**

The accreditation is valid for the conditions specified in the certificate annex D-PL-14329-01-00.

The measurement uncertainties of the executed test methods can be provided on request.

• = The indicated data originates from client information, which was copied from the order or the labelling of the product.

**Assessment:**

Hint: The present product sample was analyzed for prohibited, doping-relevant substances. The substances indicated in this test report could not be detected above the report limit within the scope of the performed screening.

certified food chemist  
scientific employee

This document has been created digitally and is valid without signature.

For the avoidance of doubt, the signatory states that the interpretation of food law standards is made within a scope for assessment, which may allow also alternative possibilities of evaluation. Therefore, the possibility of surveillance authorities, courts or competitors not sharing the above stated expert's point of view, may not be ruled out in general. Experts statements, consultations and recommendations shall not bind us.
